What is FCF?

Fiddlehead Care Farm (FCF) is a 50-acre organic non-profit farm whose mission is to give children, youth and young adults with a variety of needs, and their families, the opportunity to learn, experience and grow without boundaries through innovative animal-assisted therapy and nature-based education, rehabilitation and recreation.

Fiddlehead Fest

On June 1-3rd we had our first annual spring festival. Some highlights included:

- ☞ Gaining some “woods wisdom” with the Dufferin Forest Manager, Caroline and her trusty sidekick, Joe!
- ☞ Thanks to a generous donation, we now have tree identification signs!!
- ☞ An amazing view of the moon and Jupiter thanks to the GIANT telescopes of the Dufferin Astronomy Association

Group & School Visits

Book your fall or winter group visit to the farm. FCF staff will work with you to plan an exciting visit personalized to your group’s goals and needs.

FCF Summer Camp

We had 2 very successful summer camp weeks servicing 17 campers with a variety of ages, abilities and behavioural needs.

New friendships were made and each and every camper exceeded their goals!

Co-Care Farmers

Do you know someone 18+ with special needs who would benefit from learning life and farm skills in a supported day program?

Visit our website or e-mail for more information.
